See What Our Clients Have To Say...

"We worked with, Vestra Resources, Inc. to help us implement the upgrade to our Enterprise GIS. They were extremely valuable to our success! I can't give them enough praise for the quality of work they do, the speed at which they deliver projects, and the professionalism they've shown in our working relationship."
Steve Rodriguez, IT Manager
IT Division, FASD Department, City of Mountain View

"VESTRA Resources, Inc has provided OSHPD with invaluable support and is what I consider my go-to team for GIS custom development on any GIS project. I have always found them extremely professional, and knowledge-able, with the ability to provide out-of-the-box solutions while managing a budget. I highly recommend them."
Michael O'Neill, Geospatial Solutions Coordinator
California Office of Statewide Healthcare Planning and Development

"VESTRA Resources, Inc. developed eWRIMS for the State Water Board. VESTRA was chosen because of cost and because it was believed they had the expertise to undertake this very complex custom development. We chose correctly, VESTRA performed in a very professional manner, with a skill set that is hard to find. Given the opportunity I would work with them again."
Leo Anguiano, Senior GIS Manager
California State Water Resources Control Board
